Black Chokeberry 'Autumn Magic'

Aronia melanocarpa 'Autumn Magic' Also known as: **Chokeberry 'Autumn Magic'**

Rating: 0.0 (0 votes)

This description is for species **Black Chokeberry** (*Aronia melanocarpa*):

A wonderfully glossy, bushy plant, *Aronia melanocarpa*, or the Black Chokeberry, sports white blooms in spring and summer. The foliage is dark green, but in the autumn turns a deep red colour with black fruits. It's a hardy little number, and needs no special skills to successfully cultivate. A great plant to fill beds and borders, and likes free draining soil. Although it's happy in partial shade, for the most vibrant autumn colours place in an area that enjoys full sunlight.
