

Giant Allium 'Globemaster'

Allium giganteum 'Globemaster'

Rating: 3.2917 (24 votes)

This description is for *Giant Allium 'Globemaster'* (*Allium giganteum* 'Globemaster'):

Allium giganteum 'Globemaster' is shorter than some of the other giant alliums, being around 80cm tall, but what it lacks in height it makes up for in the size of the flower heads which are huge, around 15-20cm in diameter. The blooms are made up of a cluster of bright violet star shaped flowers that grow in a sphere. It's a very attractive variety which has been granted the Royal Horticultural Society's Award of Garden Merit.
