

Lesser Celandine 'Brazen Hussy'

Ranunculus ficaria 'Brazen Hussy' Also known as: **Figwort** 'Brazen Hussy', **Spring Messenger** 'Brazen Hussy'

Rating: 0.0 (0 votes)

This description is for species *Lesser Celandine* (*Ranunculus ficaria*):

The *Ranunculus ficaria* is guaranteed to bring a new freshness to any garden. Also known as the Lesser Celandine, its dark green heart-shaped leaves are glossy to the eye, and its love of moist soil makes it ideal for planting close to water features or garden brooks. Its flowers are usually yellow, but can also be red, white or green depending on the variant, and have between 8 and 12 starry petals. An extremely fast grower, it can quickly cover a generous area of garden, so it's a great option for the informal-style garden.
