

# Trumpet Vine 'Indian Summer'

*Campsis x tagliabuana* 'Indian Summer' Also known as: **Trumpet Creeper** 'Indian Summer'

Rating: 4.3333 ( 3 votes)

This description is for species *Trumpet Vine (Campsis x tagliabuana)*:

*Campsis x tagliabuana*, or the Trumpet Vine, is an easy to grow plant that blooms with fiery red, orange or yellow plants depending on the sub-species you choose. It can be a little invasive, so will require plenty of pruning to keep it in check. The flowers appear during the summer months, and are unsurprisingly trumpet shaped. A great choice for growing up a wall or trellis, and it enjoys a full sunlight position to best thrive.
