

# Windflower

*Anemone pavonina* Also known as: **Anemone**

Rating: 3.6667 ( 3 votes)

This description is for **Windflower (Anemone pavonina)**:

Adding Anemone pavonina or peacock windflower to your garden design will result in an outdoor space so pretty you'll feel like strutting - and with the showstopping flowers produced by this plant, nobody would blame you. Available in a variety of eye-catching colours such as red, purple and pink, these flowers are a magnificent adornment to any location in which they bloom. Peacock windflower does best in a sunny spot in fertile and moist soil that offers good drainage. Plant it in a container for a dazzling patio decoration or grow it within a border to create a breathtaking feature that is a real feather in your cap.
